

Stud Agreement Form

BITCH OWNER AGREES TO:

- Pay the remainder of the agreed stud service fee when the litter is two (2) weeks old.
- Provide veterinary certificates for current annual vaccinations, including Bordetella (kennel cough) and a clear Brucellosis test done within 30 days of mating.
- Send bitch in good health and in season.
- Notify the stud dog owner/agent, in writing via email, text, or private message on Facebook, no later than 70 days after mating if no pregnancy results from the mating. Failure to do so will result in no return service being provided.
- Keep the bitch properly confined following the breeding to ensure no other dogs can mate with her accidentally before and after the mating season.
- Pay for additional service fees if the bitch owner wants more than 3x of mating.
- Pay for the shooter's fee for the return stud service.
- Pay for the transportation cost of the stud dog owner for house service.
- Not charge any liability for voluntarily leaving his / her bitch at the stud owner's place.
- Pay any additional fees for boarding if the bitch is left for more than 6 nights in the stud owner's place.

OTHER CONDITIONS:

- A puppy born alive constitutes a litter. No return service will be provided to the same bitch in her next heat or within one (1) year.
- If the bitch has a miscarriage, no return service will be provided to the same bitch at her next heat or within one (1) year.
- If the bitch fails to conceive on the return service, this contract is terminated and the stud fee is forfeited.
- If the bitch owner voluntarily leaves his / her bitch to stay in the stud owner's place, the stud owner is not liable to any death, sickness, or accidents that may occur to the bitch.
